Health Education SCHOLARSHIP

ARE YOU PURSUING A HEALTHCARE CAREER?

To address current and future shortages of health care workers, the Marana Chamber of Commerce Health and Wellness Committee is offering financial aid through scholarships for Marana Community students and continuing education candidates pursuing healthcare careers.

The Marana Chamber Health Education Scholarships encourage a high school or non-traditional student to get training and education in a healthcare field. \$1,000 will be awarded in the 2021 Spring semester to students seeking to enroll in 2- or 4-year health-related academic programs. Awards will be determined by the Scholarship Panel of the Marana Chamber of Commerce Health and Wellness Committee. Scholarships will be presented at a Marana Chamber luncheon in the Spring 2021.

Questions?

Contact the Marana Chamber at (520) 682-4314 or info@maranachamber.com; or Dr. Monica Fowler, chairman of the Health and Wellness Committee, at (520) 579-7906 or fowlerchiro1@gmail.com.
