Congressman O'Halleran's Office

As the Veterans Services Representative for Congressman O'Halleran I am able to provide one-on-one constituent services for any of our veterans that may be in need of assistance regarding their difficulties or concerns with the Federal Government. I do feel inclined to clarify that am not a Veteran's Services Officer (VSO) and I therefore am unable to submit C&P Claims or fill out paperwork on veteran's behalf. I am, however, able to work with the Congressman in submitting *formal Congressional Inquires* regarding already submitted claims or veteran's concerns. Nevertheless, I will always work with veterans as a conduit of information and would be happy to help however possible; so it is **always** a good idea that veterans call me first if they are unsure about how to proceed or where to go for answers.

Rudy Cota III **Veteran Services Representative**

Grand Canyon University

About GCU - Grand Canyon University, Arizona's premier, private Christian university offers dynamic online programs to help you gain a competitive edge in the workplace. Discover online degrees offered through our nine distinct colleges, and benefit from the experience of our full-time faculty and fully trained adjunct instructors. Today, more than ever, a college education can give you an enormous advantage in both a military and civilian career. Unfortunately, the rigorous demands of the military lifestyle, including long hours, irregular schedules and frequent relocation, can make earning your degree difficult. For this reason, GCU has developed a military university program designed specifically to meet the needs of military professionals, veterans, DOD personnel and their families.

Army & Air Force Exchange Service

The Army & Air Force Exchange Service is committed to serving Veterans through two lifelong benefits. All honorably discharged Veterans can shop tax-free at ShopMyExchange.com. In addition, all disabled Veterans, including Purple Heart recipients and prisoners of war, can use their Veteran's Health Identification Card to access in-store shopping privileges. The expanded in-store benefit also applies to caregivers or family caregivers registered as primary caregivers for a Veteran in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. Both benefits allow those who wore our Nation's uniform to remain Soldiers, Airmen, Sailors, Marines and Coast Guard members for life and strengthen the Exchange as force multiplier for service members past, present and future.
